THE SEXUAL VIOLENCE PREVENTION AND RESPONSE OFFICE

SVPRO is a confidential place for those who have experienced, or been impacted by, any form of sexual or gender-based violence, harassment, or harm, regardless of where or when it took place. We provide support to individuals centring and empowering the needs of each person. All genders and sexualities are welcome. You are welcome here.

We do not believe sexualized violence is an inevitability. SVPRO works to educate the UBC community in the prevention of sexual and gender-based violence from an intersectional, decolonizing, anti-oppression framework. We invite you to join us.
